

2022 Year End Report

A LETTER FROM OUR PRESIDENT

When the people of God experience the renewal, reformation, and revival that only God can bring, they rejoice in it with such words:

"Then our mouths were filled with laughter,
our tongues with shouts of joy.
Then it was said among the nations,
'The LORD has done great things for them.'
The LORD has done great things for us;
we are filled with joy."

That's not only what returning-from-captivity Israelites said in Psalm 126, it is also what we say here at TCWM when we think about what God has done for us over the last year. We are one kingdom and people with the Israelites of the Old Testament, one Lord, one faith. The Old Testament Church and the New Testament church are one church, one tree, and one living organism. And God is the same King and Savior, still working miracles today.

One time at the end of one of our hermeneutics classes in northern Uganda, a pastor who had come all the way from the Congo stood up, he was so excited! He was holding his Bible in his hand, and he had fingers in the division between the Old Testament and the New Testament. He pointed to the Old Testament, and he said, "Never before did I know what this other section of the Bible was for until this week!" He was so excited because he now finally understood that the Old Testament and the New Testament are both of one cloth and useful for the modern church.

And guess who else was now going to benefit? His home congregation! They were going to have a whole new set of sermons! This is just one example of the benefit and impact Trinity Biblical Institute has on local pastors and local churches.

Thank you to those who have prayed, given, and partnered with our mission. There is no one person responsible, MANY have given their time, talents, treasures, blood, sweat, and tears. Many have given passion and energy to see this mission reach many for Christ and to see a biblical standard for the education of hundreds of pastors raised across 7 sites in 5 African countries. THANK YOU.

In this report, we list a number of the many wonderful things we saw GOD do in 2022 through the work of TCWM and all of this is to His Glory! Would you read them and rejoice with us?

In Christ Alone,

Doug McNutt
President, TCWM

WHO WE ARE

Trinity Center for World Mission is a reformed, evangelical Christian ministry that works in East and Central Africa planting and running Biblical seminaries which serve many denominations. We train and equip disciples of Christ to fulfill the Great Commission. TCWM's global end is the growth of self-supporting, Christ-centered, gospel-preaching, and reproducing churches led by our students.

*We create seminaries,
which create pastors,
which create churches,
which create disciples.*

We offer accredited and non-accredited theology courses, and we seek to continue ministering to and partnering with our students after they graduate through Trinity Network for Church Planting and Church Health, and we care for the physical and relational needs of our brothers and sisters in Africa through Trinity Mercy Works.
