Exciting New Developments!

Friends, by the grace of God we have a few exciting things happening over the next several months:

1) Our first seminary graduation class is scheduled to graduate on December 9th! We are beyond excited to see an amazing batch of ministers, evangelists, church planters, missionaries, and other church leaders released (with seriously upgraded biblical training!) back to their work.

2) We are upgrading our Higher Education status at our main campus with the government of Uganda by the end of this year to now be able to offer the full Bachelor of Theology (and Biblical studies) program for our students. Our students following this institutional upgrade will be able to study for three years and receive a bachelor's degree or they can still study for two years to receive a Diploma or Certificate.

3) We are launching the Trinity Network for Church Planting and Church Growth this fall starting with sponsoring two brand new church plants which will come out of the ministry of our students and faculty! We are beyond excited to see the fruit of ministers of the Gospel shown forth in this way. After all, seminary is simply a means to an end of seeing gospel ministers trained and then sent forth! As Jesus said, the fields are white unto harvest!

Dear friend, will you pray as Jesus instructed us to ...that the Lord of the Harvest would send workers into His harvest field? Can you stand with a pastoral student, to sponsor them through Seminary at \$100/month? I guarantee it will be one of the best investments in your portfolio! In Christ Alone,

Doug McNutt, President, TCWM

The Unfinished Task

Many of you reading this newsletter remember how we started in Uganda. God has enabled us to grow rapidly and expand into more countries. In the past year, we have opened new schools in Burundi and Tanzania; we have purchased a high school campus in Rwanda and land in Tanzania. We are busy. Why are we so busy? We are busy because of the unfinished task. Christ has given us one major task, to disciple the nations, but that task, after more than two thousand years, is unfinished.

Prayer Requests:

1. Praise God for the successful completion of the TBI June 2022 module held in six TBI conference training centers (Tanzania pictured above), and for the completion of training in Burundi earlier this month.
2. Pray for the leadership at each TBI site to be full of peace, joy, wisdom and integrity.
3. Pray for the spiritual growth of our students.

Most of you probably have some tasks that are incomplete; perhaps a bunch of unfinished tasks that you have meant to complete, but you have had other things come into your life. Perhaps you have books that you have started, repairs that are half complete, letters you plan to write; these are good things, but these are not the most important tasks. These are all minor in contrast to the task given to us by the Lord Jesus. This task is commanded in the great commission: We are to go to the more than 6000 unreached people groups and make disciples.

We must be busy because Christ has commanded us to be busy about His work, indeed His kingdom is to be the priority. You are part of Christ's mission. This is largely what you were made for. You were made by God for God, His glory, and His mission. You are responsible for helping finish the task to reach the nations with the Gospel of Grace.

After the resurrection, Jesus has His disciples go to a mountain outside of Jerusalem. After clearly establishing His authority over heaven and earth, the next words out of Jesus' mouth were, "Go, therefore, and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."

This is not a comfortable call inviting most Christians to send out a few missionaries. No, this is a command for you and all disciples to be involved in missions. Our God is a missionary God, and He sent His missionary Son, and that Son is now sending you. For many of these early disciples this meant sweat, hardship, travel, separation, sacrifice, persecution and martyrdom.

As you give to TCWM, you are helping us train a new generation of missionaries and pastors. Please remember this work in your prayers and with your financial support.

For His Glory,

Pete Anderson, Missionary of TCWM, Chancellor of TBI
