## CENTER FOR WORLD MISSION MARCH 2022 NEWSLETTER

Greetings Friends,

I would like to introduce to you Bryan Lee, our newest Vice President (Development).

Bryan has been a PCA pastor, business owner, and entrepreneur in his past, and he brings a combination of ministry heart and business skills to the table to this full-time development role. Bryan is a graduate of Covenant College and Denver Seminary. His main task will be ministering to our heroic donors who are standing in the gap for the African church right now. Bryan will be based in San Antonio, TX, where he lives with his wife

Melanie and their three children (Amos, Oliver, and Isaiah). Bryan will spend a few days a month with us here working from the HQ in Dahlenega and will spend most of his time in direct communication with and on the road to visit donors new and old. Don't be surprised if you get a phone call from Bryan introducing himself! Bryan has worked in Africa before in a short-term capacity and has seen the needs that our ministry faces each week.

*We are excited to introduce Bryan Lee as our newest Vice President!*

Please pray for Bryan as he joins our ministry team and pray for our whole team as we labor each day to see biblical seminaries planted throughout Africa, and a great network of pastors, church planters, missionaries, and ministry workers trained and sent forth to the harvest field as a result!

In Christ Alone,

A handwritten signature in black ink, appearing to read 'DM'.

Doug McNutt,  
President, TCWM

### *Prayer Requests:*

- 1.) Pray for Bryan and his family as he joins our team!*
- 2.) Successful registration of the ministry in Rwanda as our application with the government is taking longer than we anticipated.*

*3) Pray for favorable terms for the purchase of land in Tanzania (pictured to the left) for a seminary. Pray for the details to come together as we secure this land for future theological training.*

*4) Praise God for Pastor Pete's successful trip where we had almost 2000 people attend either the mobile medical clinic and library dedication on the same day on campus. Pray also for my trip, March 22-April 7, to Tanzania, Uganda, Rwanda, and Burundi.*

## March 2022 Newsletter

Hi friends,

Thank you for your prayers. I have just returned from Africa. It was a great trip. To the left, you will see a drone view of the campus in Kapchorwa. A thousand people attended the dedication ceremony of our new admin/library building and sickbay!

Trinity Biblical Institute in Kapchorwa now has a complete campus including an auditorium, guesthouse, dormitory, classroom building, admin/library building, and in the foreground a clinic/sickbay. We saw more than 1,700 patients on the day of the opening of the clinic/sickbay. We constructed a large water tank and a complete septic system, and we have electricity. In Africa, this is remarkable.

The picture to the left shows the front on the new administration and library building. We have already moved in some twelve thousand volumes.

In the midst of all this, there is great progress. Our classes in Kapchorwa, Gulu, and Endeless are completed, and the accredited classes in Kapchorwa continue for three more weeks. Last week we began classes in Kasese, Uganda, then on to Rwanda and Tanzania. In some of our locations, we close out the week of training with a crusade. Please continue to pray for our students and staff!

TBI is becoming well known in many places throughout East and Central Africa. Many more students would like to come.

To the left is a photo of our student leaders in Kapchorwa.

I am especially encouraged in regard to the churches being planted. In the northern part of Uganda, three new churches have been planted, largely by students of Trinity Biblical Institute. I had the opportunity to preach at one last Sunday.

The previous Sunday, I preached in Kapchorwa Presbyterian Church.

This is a church that previously had many problems, but a new pastor has been called. He is one of our teachers at TBI, and he has grown up around Kapchorwa and the church is being restored.

Praise the Lord for He is good! I am thankful for the work He is doing and for another trip to have gotten to see, minister to, and teach our brothers and sisters in Africa.

In Christ Alone,

Pete Anderson, Missionary of TCWM  
Chancellor of Trinity Biblical Institute
