

CENTER FOR WORLD MISSION

TCWM African Ministry Trip for Individuals and Families

Who: For any believer or believing family.

What: 10 Day African ministry trip with with cross-cultural missions training in Evangelism, Teaching, and Mercy Ministries. We typically do two days each of visitation evangelism in a local (friendly) Muslim community, teaching Bible Studies, and Mercy Ministry projects on our campus. These trips are very doable for families.

When: Any time of the year, on your schedule.

Where: At our seminary campus in beautiful Kapchorwa, Uganda, a very safe and friendly place. A majority of Ugandans speak English.

How: We will arrange everything from start to finish. All you have to do is raise the funds and show up at the airport and we will take you from there!

Why: For the glory of God, to grow believers in ministry gifts, and to be a blessing to the African church. The majority of the funds raised go towards funding our seminary, which trains pastors, missionaries, and ministry leaders in Africa.

How Much? \$5000 for the first individual and \$2000 per family member after that. Cost is all-inclusive (includes plane ticket, in-country transportation, in-country meals, cell phone/internet service, everything except for a \$55 visa, airport meals, and your own medical preparations such as shots and malaria medicine). Subtract \$1500 if you buy your own plane ticket. Come to Africa with us! Contact doug@africatbi.com for inquiries or to get started.
